

PARISH COUNCIL NEWSLETTER

DECEMBER 2007

parishcouncil@goostrey.fslife.co.uk

POST OFFICE

Once again, the Post Office service in Goostrey is under threat. If you want to do all you can to keep the current very efficient and friendly service alive then please call in at the Post Office in Mrs. Kettle's shop, collect a form and return with your comments by 17th December. Forms can be posted individually or returned to the Goostrey Post Office to be sent off together.

RAIL SERVICE

Robert Morton of the Crewe-Manchester Community Rail Partnership would like to thank all those who returned their questionnaires regarding Sunday rail services. 250 questionnaires were distributed in the village and the response rate was very impressive. It is hoped that the findings will lead to an improved Sunday timetable.

There is a new website for the Crewe-Manchester line which will give you up-to-date information on train times, fares and much more. (www.crewe2manchesterrail.org.uk)

VILLAGE HALL

Visitors to the Village Hall will have noticed the temporary ceiling in the toilets. Although unsightly at present, this is the first step towards the planned complete repair and refurbishment of these facilities and has allowed for the installation of required smoke alarms. Please be patient and look forward to greatly improved facilities in the not too distant future.

HAPPY CHRISTMAS

The Parish Council would like to wish all Residents a Happy Christmas and a Healthy & Prosperous New Year and looks forward to seeing you at its meetings in 2008.

PARISH COUNCIL MEETINGS

Parish Council – Tuesday 11th December at 7.30 in the Village Hall lounge.
