OPEN GARDEN DAY

Entry forms for the Open Garden Day, to take place on Sunday 8th July, are now available from The Trading Post, Goostrey News, Mrs Kettle's and from the foyer of the Village Hall. Please consider opening *your* garden to visitors to help raise money for Francis House Children's Hospice or a charity of your own choice. The event is very informal and is not competitive. Your garden does not have to be perfect - visitors just enjoy seeing different styles and settings. Some of the participants might like to offer refreshments and/or cuttings and seedlings. It is hoped that a good number of gardens will be entered by the end of May so that maps can be prepared for sale in the weeks leading up to the Open Garden Day.

OVERHANGING TREES & BUSHES

Once again, the Parish Council respectfully asks all residents who have properties with public pavements and paths at their boundaries to make sure that all overhanging branches are removed, at least to above head height, and that hedges are cut back sufficiently so as not to encroach onto pavements, making them too narrow to negotiate safely.
