### **SCARECROW COMPETITION**

**Start planning your scarecrow now**

**Join in the fun and display your scarecrow during June**

**Winners announced at Rose Day**

Look out for entry forms in the village shops from the beginning of May.

### **DOG FOULING**

Unfortunately, it is necessary to repeat the message - **please clear up and remove any messes left by your dogs.** It is unreasonable that children should have to navigate around dog messes on the way to school, in the area of the school crossing and between the school gates and the Crown and Red Lion car parks. There are dog waste bins at Wood Lane, Booth Bed Lane, Shearbrook Steps, The Bogbean and Church Bank. Once again a big thankyou to all those responsible dog owners who always clear up.
