### **SCARECROW DAMAGE**

Two teenagers from Holmes Chapel who damaged several of the Goostrey scarecrows have apologised and have donated £100 to Rose Day funds. The issue was dealt with through the Restorative Justice system whereby the offenders met with victims and police to be made aware of the impact of their behaviour.

### **PARKING ON PAVEMENTS**

The Parish Council has been asked to raise the issue of parking on pavements. Although it may seem safer to pull off the road, in some situations the pavements are made too narrow to allow pedestrians to pass by. Please remember that pedestrians perhaps with children, prams, pushchairs and wheelchairs must be able to use the footpaths safely without having to step out into the road to pass parked cars.

### **OVERGROWN HEDGES**

Similarly, please make sure that boundary hedges are not causing obstruction to pavements.
