GOOSTREY'S GOING POTTY

This summer the Parish Council are inviting you to take part in a fun competition. Find an unusual container, grow some flowers (or vegetables) in it and display it in your front garden through the month of June. The stranger the container the better, for instance an old Wellington, a wash basin or even a loo, a tyre, a drain pipe etc.etc. Let your imagination run riot.

There will be a separate competition for children and we will provide them with some seeds. We hope they too will have some unusual and interesting ideas.

Details will follow

but start thinking about it and we should have some wonderful displays this summer, hopefully at their best in time for Rose Day.

GOOSTREY YOUNG PEOPLES PROJECT

Members of the Parish Council and GYPP recently met with Cheshire East Council to try to agree on terms for a lease of land at the western end of the school playing field and also to resolve restrictions on the planning application for a dwelling on the old Youth Centre site. It is hoped to see progress very soon.

There are currently two possible sites for a new Youth Centre. This issue will be presented and discussed in detail at the **Annual Parish Meeting on 22nd April**. Please try to attend the meeting if you have an interest in or opinions about a Youth Centre in the village.
